Minimum Student Health Insurance Requirements

To qualify for a waiver for the academic year, your policy must meet each of the criteria below:

- Your insurance coverage must be continuing coverage that verifies enrollment as the dependent, partner/spouse or principal in an employer or government sponsored private insurance plan

- Your policy must provide coverage for:
  - routine, urgent and emergent care for both inpatient & outpatient medical care
  - mental health coverage

**Note**: A policy that provides only emergent or urgent care coverage does not meet this requirement.

- It must not contain any clauses limiting/excluding coverage based on pre-existing conditions.

- It must provide coverage in the State of Qatar with no less than $100,000 per illness and $100,000 per injury

- It must provide Medical Emergency Evacuation and Repatriation coverage
