Prerequisites and corequisites have been established by academic departments after thoughtful examination of courses and programs. Therefore, a prerequisite or a corequisite will normally be waived only if an equivalent alternative learning experience can be identified. To obtain a waiver:

1. Complete the “Student Information” section of this form.
2. Consult with and obtain the signatures of your academic advisor, the instructor of the course that you would like to take, and the program director of the department that is offering the course.
3. When completed and signed, bring this form to Christine Gilchrist (Room 1098) to have the appropriate waiver applied to your student record.
